

## **THE RILEY MOTOR CLUB (Inc. in Vic.)**

Thank you for your membership enquiry.

The Riley Motor Club offers you -

\* Eleven club meetings each year which cover technical lecturesses, guest speakers, films or videos, novelty evenings, etc.

Meetings are held on the first Friday of each month (except January). Contact the Club to confirm the venue - usually in Glen Iris.

\* At least one event each month including day tours to places of interest with a picnic or pub lunch, visits to members' garages, country weekends, displays, etc.

\* A monthly magazine, "The Blue Diamond", to keep you informed of the Club's activities. Also included are technical articles, restoration tips, and news and views.

\* An excellent Spare Parts Service catering for most models. Parts are sourced from the U.K. and interstate and are manufactured locally.

\* A Club Library for members' use which includes a wide range of Riley manuals, reference material, other motoring books, videos, CDs and DVDs.

The friendship, help and advice enjoyed by members can only be known to those who belong to the Clan Riley. We look forward to having you join with us.

## **THE RILEY MOTOR CLUB (Inc. in Vic.)**

The Riley Motor Club was founded in Victoria in 1958 with nine Riley owners at the first meeting. The Club quickly grew to 50 in 18 months, to 130 in 5 years and now we have over 290 members. We are proud that some members have maintained their association with the club virtually since its inception. This marque loyalty has resulted in a pool of knowledge on restoration and maintenance which is actively shared.

We have a close association with the Riley Motor Club, the Riley Register and the R.M. Club in the U.K., as well as with Riley Clubs in all states of Australia.

As well as our own busy calendar of events, National Rallies are held every year, hosted by each State on a rotating roster.

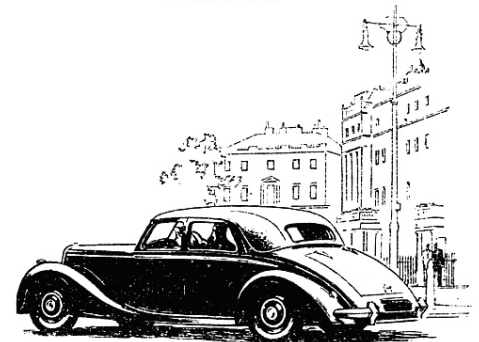

Club administration is conducted by a 12 person Committee at a monthly meeting separate from the members club meeting.

We encourage our members to use their Rileys at all events run by the AOMC, the Federation of VVCVC, and the RACV and at historic race meetings.

Above all, the prime aim of the Riley Motor Club here in Victoria is to promote and foster the Riley marque through accurate restoration and active use of our cars.
